ABOUT

The current application allows you to view and explore over 2,000 markers in the Eastend Riverside Cemetery.

Viewing the map: after downloading the interactive map to your device, the following tools can be found along the top or bottom panel.

Zoom In and Out: Allows the viewer to zoom in or out of map, providing close up views of names and locations.

Search Query: Allows the viewer to search and locate family names. Enter a family name, e.g. – 'Joe,' in the search bar. Click 'next' to filter through the search results.
